- *Training and formation:* more than twenty years of experience in education and training in various projects and on different topics. She combines theoretical aspects with practical elements that are useful for clients in their daily life. Experience with European institutions.

- *International business:* trained and certified by the Model of Freedom Association. She works with companies and executives on aspects of diversity and intercultural competence.

"It is my passion to accompany my clients in their personal and professional development. I am specialized in executive and team coaching and my main approach is the development of social, communicative and intercultural competence to promote my clients' success. Their specific needs are my starting point. Together with them I look for concrete solutions. My favourite subjects are creating successful teams, supporting leaders in the development of their own positive leadership style, establishing good communication and helping people to see conflicts and changes as an opportunity and a chance."
